Who can you help or what problems can you solve? We can help business or residence get their place in top shape top provide a clean professional image or give “pride of ownership”. We can help set up proper maintenance to make their investment last longer, stay cleaner, and more sanitary. We can help put a smile on your face when you come home to a sparkling clean living space.

How can you help people reach their goals? If selling a house we can help them get “top dollar” by restoring property to an almost “new” condition. Contractors experience fewer complaints from clients when they move in and find no cleaning issues.

Why choose you over a competitor? Experience (over 23 years), quality of service (we regularly exceed customer expectations), friendly, courteous respectful, well trained technicians.

What is a good referral for you? Property managers, real estate agents, operation managers, clients who are looking for excellent service from courteous, trustworthy technicians are good referrals.

What does not constitute a good referral? Someone shopping for the cheapest price is not a good referral.

Who do you know who? What is your *DREAM* referral? A person that is responsible for overseeing maintenance on multiple complexes, units, homes, buildings. Upscale home owners who want things done right by people they can trust.
